

## Civil War Map

Label the map as follows using the information learned from the website. Some states will have more than one thing marked in them.

### **Secession**

Color the First state to secede from the union- **Blue** and write the year inside the state.

Color the next 5 states to secede- **Green** and write the year inside the states.

After the Confederate State of America formed, mark in **purple** the next state to secede.

### **The Civil War Begins**

Mark an **F** where Fort Sumter is on the map.

After the confederate states captured Fort Sumter, color the final four states to join the Confederacy in **Red**.

Put a **star** on the Capital of the Confederacy.

Color the 5 Border States (Slave States that fought for the Union) in **Yellow** and mark them with a **B**

Color the Rest of the Confederate States **Orange**

### **The First Major Battle**

Draw a picture of a **Bull** in the State that had the first major battle called "Bull Run"

### **A Long Fight**

Write an A in the state that had the bloodiest battle of the war

**Union Forces Pursue Lee**

Put an F in the state that had the Fredericksburg Battle

Put a C in the state that had the Chancellorsville Battle.

Put a G in the state that had the Gettysburg Battle.

**War in the West**

Put a W in the three states that had battles in the west.

Draw a footprint path where Sherman marched

**A Union Victory**

Put a Smiley Face in the state where the confederates finally surrendered.
