

IMPLEMENTATION

ALL STUDENTS RECEIVED 90% OR HIGHER ON THE LESSONS FOR THE DAY

THE LESSON WAS INTERACTIVE AND KIDS OF EVERY LEVEL ENJOYED (EVEN THE LOW KIDS)

I WAS WORKING THE WHOLE TIME!

I THINK I WOULD HAVE THE STUDENTS DO FEWER LESSONS EACH DAY, AND COMPLETE THE CROSSWORD, HANDOUT, AND MAP ALL AT THE SAME TIME VS. EACH ONE ON A SEPARATE DAY.

RESULTS OF REACTION SURVEY: MEET GOAL. I NEEDED TO MAKE IT LESS OPEN ENDED.

THEY DIDN'T LIKE: CONTENT: SLAVES WERE TREATED HARSHLY, BOUGHT PROGRAM: COULDN'T PAUSE READER TO WRITE DOWN ANSWERS

I'D LIKE TO DO THIS AT HOME TOO! IT IS VERY INTERESTING TO ME!

THEY WERE SO ENGAGED IN THE TECHNOLOGY LESSON THAT IT WAS HARD TO GET THEM TO GET READY FOR LUNCH

I WOULD MAKE STUDENTS COLOR IN THE MAP AT THE SAME TIME THEY ARE FILLING IN THE HANDOUT INSTEAD OF DOING IT SEPERATELY.

I HAD THE STUDENTS' DESKS IN PAIRS. THIS WAS PERFECT

THEY COULD GET HELP FROM THEIR NEIGHBOR, BUT THEY WERE NOT TOO CHATTY

TECHNOLOGY WAS EFFECTIVE BUT IT WOULD HAVE BEEN FOR STUDENTS TO BE ABLE TO PAUSE THE COMMENTATOR
